

Today we met with the County to discuss several articles. No tentative agreements were reached.

The Union opened discussion today concerning the following articles based on your feedback:

**General Unit:**

Definitions

Article IV – Union Rights

Article VII – General Provisions

Article IX – Hours of Work/Overtime

Article XI – Leave Time/Holiday

Article XIII – Safety

Article XIV – Training

Article XX – Termination

**Nurses Unit:**

Definitions

Article IV – Union Rights

Article VI – General Provisions

Article XI – Leave Time and Holidays

Article XII – Insurance

Today your bargaining team brought wages and the importance of maintaining the current level of health insurance benefits to the County's team. Although no formal proposal on wages or health benefits were given today, the bargaining team did discuss the priorities you set forth through the bargaining survey. Our next bargaining session is April 6th and we are working on finalizing proposals on several issues including wages and insurance.

In solidarity,

Bargaining Teams:
